LABORATORY ASSOCIATE HIRING PROCESS CHECKLIST

Laboratory Associates are doctoral recipients with at least 2 years of post-degree experience, are employed elsewhere, and are paid by their employers to conduct research or other scholarly activities at Yale in association with a Yale faculty member. Please email the application and applicant's CV to our office for approval before extending a formal invitation to the candidate and before requesting a visa with the Office of International Students and Scholars. Email postdoc.affairs@yale.edu for all YSM departments and alisa.paradise@yale.edu for FAS and all other professional schools.

Funding: Laboratory Associates are ineligible for Yale compensation or Yale benefits. They must demonstrate a source of external salary support and are unable to use personal funds.

Visas: For the issuing of visas, please contact [the Office of International Students and Scholars \(OISS\)](#) 3-6 months in advance of the targeted hire date along with this approved application. Please note that the visa process does not begin until OISS has a completed OISS Connect record of the candidate.

Eligibility Requirements:

- Have a Ph.D. or have equivalent training.
- Have two or more years of research experience following the Ph.D.
- Have demonstrated a high professional ability in fields related to the work being proposed.
- Hold a position at another university or at a company and should be coming to Yale part-time or for a short duration.
- Have an outside source of salary support of at least \$3,200/month (personal funds are not acceptable).
- Have health insurance coverage.
- Be in residence at Yale during the appointment.

Required Documentation: Candidates are required to provide the following documents.

- Current CV.
- Proof of external funding.
- Proof of external health insurance.
- A signed copy of the attached Research Attachment must also accompany this application. If the individual is employed by a for-profit institution, a Visiting Scientist Agreement may be required in lieu of a Research Attachment. Contact OSP for details.
